SENIOR CLASS HISTORY

One of the larger classes that will graduate from Dinsdale started in January of 1948 with Mrs. Beth Dirks as the one who started to guide us through our13 years of school. Our kindergarten started out with 13 pupils. Robert Bailey, Janis Breakenridge, Allen Dalziel, Judy Eckhardt, Richard Ellis, Berniece Greiner, Donald Hulme, Ronald Lockhart, Dennis Manfull, Paul Paton, Michael Richardson, Amy Jo Soucek and Judy Sager.

Our teachers who continued to guided us through the years were Mrs. Clara Martens, Miss Elarn Gray, Mrs. June Mitchell, Miss Irma Bicket, Miss Frances McCreery, Mrs. Constance Robinson.

During the years we gained a few pupils and some moved away. Also we filled our mischievous little minds with important knowledge of things we needed to know.

At our 8th grade graduation we had 15 graduating. The students who walked up those stairs to get their diplomas were Janis Breakenridge, Judy Eckhardt, Richard Eiffler, Jo Erickson, Berniece Griener, Donald Hulme, LeRoy Kaufman, Ronald Lockhart, Dennis Manfull, Carole McGowan, David Neil, Paul Paton, Mike Richardson, Amy Jo Soucek, and David Voigts.

The next year we were starting the first of our four years and hoping by the end of the fourth we would get another signed diploma. In high school we were instructed and tried to be put on the right way of thinking by new teachers to us. They were Mr. Jones, Mr. Blech, Mr. Clubine, Mrs. Thacker, and Mrs. Robinson.

During our high school years we had many outside activities. Some of the girls made the basketball team while some of the boys made the basketball and baseball team; some joined the music groups, and we worked hard on our banquet theme for the Seniors.

In the minds of all the Seniors the class plays were the activity enjoyed the most. In our Junior year Mr. Jones directed us in Foot-Loose and our Senior play Finders Creepers was also directed by Mr. Jones.

This is our last year of high school and we are looking forwerd to our Junior-Senior Banquet, Chicago trip, and other activities planned.

We want to thank our many teachers for guiding us in the right way through our 13 years of school.
